

SPOTSYLVANIA COUNTY

REPUBLICAN COMMITTEE

Folks,

This Thursday, May 25, we will be holding a Mass Meeting Q&A/Training for all folks interested in how the process works. This will be conducted at 7pm at Crossroads Baptist Church on Lee Hill School Drive in place of our regularly scheduled monthly committee meeting. Please advise, this training is crucial for folks attending the Mass Meeting so everyone involved can be as informed as possible. If you can't make it, we are trying to schedule a second training to accommodate everyone but, in the event we aren't able to do so, make sure someone is present this Thursday that can fill you in on the training. Also, please consider donating at the bottom of this email if you are able, so that we can offer merchandise and food as a means to fundraise on the day of the Mass Meeting. The official list of candidates who filed for the Republican Nomination are below:
